

3CU: Workers' Compensation for your USL&H Operations

Third Coast Underwriters (3CU) focuses on customers with complex operations and challenging exposures that require unique workers' compensation solutions. Our specialists understand the needs of the marine industry in the Gulf Coast region with coverage for U.S. Longshore and Harbor Workers' Compensation Act (USL&H).

Your assigned 3CU team of professionals reviews your entire account thoroughly to design a program that delivers the best outcomes and ensures your exposures are managed and controlled.

Examples of USL&H operations that we write, subject to our \$150,000 minimum, include:

- Shipbuilding and ship repair
- Stevedoring and marine terminals
- Marine construction – dams, cofferdams, bridges, bulkheads, etc.

Excluded operations

- Ship breaking/demolition contractors
- Asbestos or lead abatement contractors
- Diving (incidental only accepted)
