AccuPremium® makes it easier than ever to pay your premium

Third Coast Underwriters' pay-as-you-go solution, AccuPremium, saves you time and improves cash flow.

We accept payroll reports from you (or a participating payroll vendor) and collect premiums at the pace of your operations.

AccuPremium significantly improves cash flow and expense planning through:

AccuPremium's benefits include:

- Security deposit as low as 5% for policies over \$150,000.
- Premiums collected via secure EFT in accordance with payroll cycles.
- True pay-as-you-go to limit surprises at final audit.
- Compatibility with single and multi-state policies.
- Payroll reporting done online by you or a participating payroll vendor.
- Real-time notification of premium due when self-reporting (next day for payroll vendor reporting).
- EFT draft approximately one week after reporting - to allow adequate time for potential review and correction.
- Pay-by-check availability, requiring monthly reporting.
- A dedicated AccuPremium service team from 8 a.m. to 8 p.m. ET.

How it works:

After your policy is issued, you'll receive an email with registration instructions for choosing your payroll reporting method and frequency for the AccuPremium program.

Once registration is complete, you'll receive an EFT approval and registration link so you can enter your banking information privately and securely. An AccuPremium service team member will be available to answer any questions.

Based on your payroll frequency, you'll receive an email reminder to report your payroll. Payrolls are reported by end of day Wednesday with a real-time or next day notification of the invoice amount. EFT draft is scheduled for the following Friday, giving you one week to resolve any possible mistakes.

If additional premium is due at final audit, you'll be invoiced and an EFT draft will occur three weeks later. Conversely, if we owe you premium back, you will receive an EFT deposit within one week.
